"\$1,514,656 Being Spent And Budgeted 'Currently In Glades Area' Chairman Rardin

Avenue E T 3e Boulevard; Curb, Gutte, and Sidewalk

Airport Road And Army Among Coming Year Plans By County Commission

"We haven't raised taxes in five years—we've actually lowered them a bit," County Commission Chairman Paul Rardin told Rotarians last Friday, "and I'm surprised at the total figure of \$1,514,656 which is currently being spent or budgeted for immediate use by the Commission for the Glades area."

"There is an item of \$100,000 budgeted for 'rights-of-way', he continued, "and this is becoming to be a substantial item in all road improvements."

"We think we are building our courthouse to serve this county for the next century of a century," the Commissioner told his audience.

"There is an item of \$140,000 for two miles of road, known as the Airport Road. This will connect with the Wedgworth-Flynn road being built by private funds to tap an area of more than 10,000 acres of farm land east of Belle Glade. We anticipate that the County will take over this road in the near future for maintenance, so that local farmers may have access to the packinghouse area without coming thru the middle of Belle Glade, and for a shorter haul."

"There is in the plans, also, consideration of a roadway connecting with this Airport road from the east, and what is known as the Duda Road, so that

FLY FACTS

Experts call for two or three sprayings of malathion at ten-day intervals to eradicate 90% of the fruit fly. Pepper, egg and tomato growers spray over a 75-day period averaging two sprayings per week with a concentration for stronger and deadlier to insects.

Attention to ditch banks and nearby waste areas where host plants or fruits might be, it would seem, will result in "top security."

It is said that two ten-day periods from egg laying to maggot stage and from maggot stage in the soil still means a delay of one month to deposit 600 eggs at one, making the life cycle of a fruit fly.

Morton To Report To Ramie Growers Monday Nite 8 p.m.

President Fred Yount has called a special meeting of the membership of the Florida Ramie Growers & Processors Association for Monday night at 8 p.m. in the administration building of the Experiment Station.

Harley Morton will report to the group on his recent trip to textile centers and the results of numerous tests, including one with the Marines.

Special invitations are being given local farmers who are not members of the organization but who are interested in Ramie.

Roberts And Rogers And RDB Combine On Fruit Fly Aid

The Glades Branch of RDB and Rep. Emmett Roberts' plan to have farmers meet with State Plant Board authorities in an effort to work out a field certification plan instead of fumigation of peppers, eggs, ripe tomatoes, etc. after harvest, found many allies in Broward and Lee counties and along the east coast, when Representative Rogers wired that the presence of Federal control authorities is assured.

A meeting has been set up for the evening of June 28th in 28th and Lee county growers' hall in the Clevelight Inn, when Glades farmers will join, with in discussing the problem with the State authorities. Several area meetings are proposed in Pompano, Broward county and Dade county also.

A meeting on June 28th in Red Mounts' office will include both the State and Federal control authorities with delegates from the seven county area in hopes of reaching a modification plan of the present 3-hour fumigation.

At a called meeting in West Palm Beach Wednesday night, Marshall DeWitt, RDB Agricultural Chairman, Red Mounts, William Webb, Delray Beach, Harold Rubin, Herman Close and Emmett Roberts and others passed a resolution calling on all communities to send representatives to the meeting on the 26th after discussing proposed field certification.

Facts And Figures Presented To Lions

Program Chairman Cunningham arranged to give his findings on city lions' facts and figures" on July 1st at the regular Wednesday meeting. Mrs. Letha Rice and Miss Bonnie Williams as the "High City Clerk" gave the facts. These facts will be more detailed in next week's Herald.

Standard Steers Up In 1024 Cattle Sale

Slaughterers took a slight majority of Monday's sales of 1024 cattle with standard grade steers generally up fifty cents.

Stockers, except cows, remained steady, with calves scarce.

Quantities Monday were: 191 calves, 94 yearlings, 143 heifers, 274 cows, 277 steers, 14 pigs and 31 bulls. 51% of steers to slaughter and 49% of number to stock.

Slaughter steers: Standard 14.00-17.25, utility 12.25-13.75, cut 10.00-12.25. Heifers: Good 15.00, standard 13.00-14.50, utility 11.50-13.00, cut 10.75-11.00, good 15.00-16.00, cut 14.00-16.25, utility 11.75-14.75, cut 8.00-11.75. Cows: 12.50-14.00, utility 11.00-12.75, cut 8.50-10.75, can 7.25-9.25. Bulls: utility 12.00-13.75, cut 10.75-12.00.

STOCKERS — Steers: 8.00-15.10. Heifers: 9.00-14.00. Calves: 8.00-13.75. Cows: 7.00-12.75.

Softball Series Tees Off Tonight

Benny Richmond and Fred Farmer, being baseball enthusiasts, decided that some 75 to 100 players would be interested in playing softball with the age group from 16 to 40 and that at least four or five teams could be organized.

A meeting was called for Tuesday night, June 12th at Richmond Plumbing Co.'s place and five teams of 17 members each were organized, managers were chosen and sponsors assigned.

It was decided that in order to assist in the finance a charge of ten cents per person will be made, including players.

Later South Bay came in with a team and details on that will be given next week.

Teams, sponsors and schedule follows:

Friday, June 22
Jaycees vs. Grubers' Machine
Griffs vs. South Bay.

Tuesday, June 26
Grubers vs. Glades Cleaners
Glades Machine vs. Griffs
(Continued on Page Two)

ROTARY LITTLE LEAGUES, pennant winners also are front row, David Giese, Gerald McMillan, Roy Hayes, Tommy Waters. Second row, Jimmy Davidson, Larry Peacock, Bobby Schoenfeld, Richard Barrett, Billy Sullivan, Tommy Scheffler, Back row, Mrs. Charles Hickman, Ralph Marotta, Mike Berryhill, Tommy Close, Robert Rabara, Tommy Bass and Mr. Bill McClatchey.

Fla. Press Assn. Finds Nassau Tops As Vacation Spot

The natural old-world charm of Nassau, coupled with the exceptional friendliness, politeness and consideration of her people, easily explains the increasing number of tourists visiting that island today.

Praise for this vacation spot was high among newspaper people recently returning on Monday of this week, aboard the U. S. Queen Nautilus from a weekend convention of the Florida Press Association held in the Nassau capital. This, marking the first time the association, organized in 1879, has ever held an annual meeting outside of Florida. Plans for the Nassau trip were expertly worked out by John Paul Jones, secretary-manager of the association and the Development Board sales and publicity staffs of the City of Nassau.

A down-to-earth business session Saturday morning was held at the Bahamas Country Club with president Tom Leonard presiding. His Honour, the Chief Justice Sir Guy Henderson, Q. P. Plan of Nassau, St. Petersburg, the first day of registration.

The program, sponsored by the Palm Beach County Board of Public Instruction in cooperation with the city, is well underway, according to Bill Nicholson, one of the supervisors.

Other supervisors are Jim Maynor and Hector Ouellette, assisted by Mrs. C. W. McDonald. (Continued on page four)

Summer Activities Attract Over 250

The summer recreation program at the Municipal Park attracted 252 boys and girls Monday, the first day of registration. The program, sponsored by the Palm Beach County Board of Public Instruction in cooperation with the city, is well underway, according to Bill Nicholson, one of the supervisors.

Other supervisors are Jim Maynor and Hector Ouellette, assisted by Mrs. C. W. McDonald. (Continued on page four)

ROYALS TO KWIK CHEK

It's common talk around here — and elsewhere — that Royals' grocery stores in the Glades have been sold to QUIK CHEK.

Our efforts to confirm this with the principals haven't brought any definite information.

However, we anticipate that next week's HERALD will carry a full announcement of the transaction.

Practical Experience Secures Top Efficiency In Glades Agro-Industry

Kenneth Sands Elected Boys' State Law Chief

Kenneth Sands, son of Mr. and Mrs. L. K. Sands of Belle Glade, has been elected a chief of police at the 1956 Florida Boys' State now in progress on the Tallahassee Florida State University campus.

Sands is one of a group of 438 outstanding high school juniors from all parts of the state who are attending this week-long course in learning government by practicing it.

Boys' State, sponsored by the American Legion, is held each year on the FSU campus. Mythical governments of 16 cities are formed and operated for the annual affair which is conducted under the supervision of experienced counselors.

Clarence Bittling, during his hey-day at the US Sugar Corporation visioned the Glades future tied up with what he termed agro-industry; that is, industrial operations to prepare the products of the musklands for the table, the retailer and the end manufacturer.

In the case of sugar, it would be taking the cane stalk and producing raw and refined sugar; in the case of vegetables, processing them in packages for the retailer and even the table; in ramsie it would be preparing the fiber for the spinner and the weaver; in cattle, a meat processing plant.

There are five of these agro-industrial co-ops in the Pahokee to South Bay area processing vegetables; each have an annual volume of three and a half to five million dollars and each have hundreds of employees.

Plant facilities are valued at from a quarter of a million to better than half a million dollars each.

All of these organizations are combining to secure the "best penny" from the vegetables grown and shipped here for approximately eight months of the year, through savings in cooperative purchasing of seed, fertilizers, containers and supplies and the more intelligent marketing of their products.

One of the principal operations of the Bell County Cooperative began planning last summer for a modern processing (Continued on Page Five)

H. V. (Sherry) DRAA received covered award of Senior Master Key Member from Lions International recently from District Vice President.

The Distinguished Membership Award is conferred on Lions who have proven exceptional accomplishments in the promotion and expansion of Lionism. Lion DRAA has occupied all offices in the local Club, will have completed 15 year perfect attendance record in February of 1957; has been Zone Chairman, Deputy District Governor and District Governor's Cabinet Secretary. Local Lions congratulated "Sherry" on his service to Lionism and on this permanent recognition of his work.

CHAMBER OF COMMERCE TO BE OPEN MONDAY

By vote of its directors Belle Glade Chamber of Commerce will maintain office hours from 9:30 to 12:30 during the summer months. Heretofore the office has been closed during the summer.

License tags may be purchased during these hours, according to Secretary Edwin Young.

Local PBW Wins Top State Award

Top state honors for the best overall Coordinated Program for the year 1955-56 was awarded to the Belle Glade Business and Professional Women's Club at the 37th annual State Convention held in Lakeland June 14-16. The program will be entered in the National program contest to compete with the club (Continued on page 2)

Largest Duster Order For Malathion Filled By Local Insecticide Group

Howard Holman, (right) and Rodney Connell, instead of taking a normal leisurely summer, are alternating night and day shifts in an effort to keep Malathion mixed for the planes to spray for the fruit fly.

Malathion — a shock fly insecticide for the Mediterranean fruit fly — is a prominent financial and quantity item in the Glades these days.

Remark Chemical Company's plant here received about 300 barrels of the liquid last week; each barrel contains 500 pounds and has a value of about

WALTER HOOKER RECEIVES RESOLUTION OF County Commission praising highway for him. Presentation is being made by County Commission Chairman Paul Rardin at the Friday Rotary Club meeting.

SOCIETY SECTION

KATHLEEN LIVINGSTON, Society Editor
Office Phone WY 6-3058 Home Phone WY 6-2533
All social notes and items of social interest should be communicated before noon on Wednesday to the editor of this paper.

Mrs. J. W. Mathewson returned Monday from Nassau, Bahamas, where she represented the Belle Glade Herald at the annual Florida Press Association Convention, accompanied by Mrs. Beryl Bowden, editor of the Clewiston News, Mrs. Deane Duff and Mrs. Amanda Jernigan, Clewiston.

Mr. and Mrs. Claude Morgan and children of Paris, Texas, have recently moved here to make their home. Mr. Morgan is in the cattle business.

Mr. and Mrs. W. H. Young and Mr. Charles Young, and Jean Young, of Miami, were guests of Mr. and Mrs. George Tedder last week. Other guests during the week were Bonnie Onoff, of Wilmington, N. C. and Mr. and Mrs. Seawright of Eau Gallie.

Guests of Mr. and Mrs. Ted Roman and family are his mother, Mrs. Helen Roman and her daughter, Eleanor of Perth Amboy, N. J.

Jack Price was the guest of Mr. and Mrs. John B. Orr, Jr., in Miami last weekend.

Harley G. Morton, rattle expert, has returned to Belle Glade after a several weeks business trip to New York, Philadelphia and other cities.

Mr. and Mrs. G. W. McClure and daughter, Carol Jean and Barbara Ann plan to leave Monday for a month's tour through the western states. They will

visit Carlsbad Caverns in New Mexico, Fort Worth, Texas, San Diego, Calif., Yellowstone Park and enroute home by way of Hot Springs, Arkansas.

Mrs. Joe Freedlund is leaving today to spend two weeks at the home of her daughter and son-in-law, Mr. and Mrs. Chas. Doll in Jacksonville.

Mr. and Mrs. James Spence and her mother Mrs. Lila Shepard were luncheon guests Wednesday of Mr. and Mrs. W. C. DuBoise in Pahokee.

Mr. and Mrs. N. T. Taylor and daughter, Louise, have returned from Wilmington, Del., where they visited their son and daughter-in-law, Dr. and Mrs. Robert Taylor. Mr. Taylor was a delegate to the Rotary convention in Philadelphia.

Mr. and Mrs. W. D. Moore and children of Bradenton were guests at the home of her mother, Mrs. Zelma Betzner, this week.

Jim Oakes has returned from his home in Beloit, Wis., where he accompanied his wife and family. He is installing pumps for the Fairbanks Morse Co. here.

Mrs. Edward Strong and children have returned to their home in Winter Park. She came down for the Will-Stevens wedding and was guest of her parents, Dr. and Mrs. Thomas Beger. Mrs. Thelma Stevens and Mrs. Beger accompanied them

home and on the return trip visited Rev. and Mrs. Vanderwater in Haines City.

Mr. and Mrs. Dalton Harrison are in Gainesville where they are attending summer school at the University of Florida.

Miss Marian Najarian has enrolled at the University of Miami for a two weeks TV course.

Mr. and Mrs. B. N. Forrest, accompanied by their son and wife, Mr. and Mrs. Randy Forrest, left Friday for Atlanta to attend the toy showing. They plan to be gone about 10 days and enroute home will visit relatives in Valdosta, Ga.

Mr. and Mrs. J. D. Costner and Mr. and Mrs. Leo Barnett and family of Flint Mich., were guests of Mr. and Mrs. Edwin Rice and other relatives here last week.

Miss Dorothy Kidder and Miss Carol Neuwirth of New Jersey spent the week end with the former's parents, Mr. and Mrs. Ralph Kidder. Miss Neuwirth, who has been attending Charron Williams Business College in Miami where Miss Kidder is also a student, has completed her course as medical secretary.

Mrs. R. V. Allison accompanied her daughter, Miss Gail Allison, to Gainesville where she had a haircut and was guest of her parents, Dr. and Mrs. Thomas Beger. Mrs. Thelma Stevens and Mrs. Beger accompanied them

Mr. and Mrs. R. H. Cooper and children Ronnie and Craig, accompanied by her brother, wife and children, Mr. and Mrs. W. Rawls, Sharon and Patricia, spent the week end fishing at Ft. Myers Beach. The men caught over 100 pounds of fish and the women caught red snappers. The group enjoyed a fish fry Sunday evening and the Rawls family returned to Jacksonville Monday.

Mr. and Mrs. W. L. Cunningham and sons have gone to Quitman, Ga., where they will spend the summer.

Mr. and Mrs. David Taylor and son, of Roanoke, Va., have recently moved to the Bette Apts. on S. E. Ave. E. Mr. Taylor is employed by the Telephone Company here.

Mrs. Glenn Smith, who has been a guest at Northmoor Motel has returned to her home in Lafayette, Ind. The Smiths have purchased a lot here and plan to build in the fall.

Bonnie Williams Reveals Engagement
Mr. and Mrs. C. L. Williams of 334 S. E. Ave. F, announce the engagement of their daughter, Bonnie, to Don Curtis Brawley of South Bay, son of the late Mr. and Mrs. G. J. Barstow. Miss Williams is a graduate of Belle Glade High School class of '52 and was a member of the FFA and Glee Club. She attended Stetson University and was a member of Beta Tau Alpha Sorority. She is presently working in the office of the City Hall of Belle Glade.

Mr. Barstow graduated from the local high school in 1947 and served four years in the US Air Force. He is now employed by Alfalfa Creamery.

The couple plan to be married August 28.

Fred Farmer Weds In Columbia, S. C.
Mr. and Mrs. Fred Farmer, who were married June 15 at the Edgewood Methodist Church in Columbia, S. C., are making their home at the Cove Apts. on West Lake Rd. Mrs. Farmer is the former Joyce Crosby, daughter of Mr. and Mrs. Robt. C. Crosby of Columbia.

Mr. Farmer is the son of Mr. and Mrs. Fred Farmer, Sr., of this city.

Allens Honored At Open House Sunday
Dr. and Mrs. Robert Allen were honored at an open house at their new home on Wedgeworth Rd last Sunday afternoon. The occasion which was a complete surprise to Mrs. Allen was also their 20th wedding anniversary.

Members of the Eastern Star with Mrs. C. W. McDonald, Mrs. Victor Greene, Mrs. Winnie Roberts and Mrs. Arthur Zumpt were hostesses. Punch and cake were served to about 80 guests calling during the afternoon.

Barbara Will, Albert Stevens Wed In Double Ring Ceremony Friday Evening

Rev. James Boyd of Pahokee performed the double ring ceremony. Vows were spoken in a setting fragrant with bridal flowers symmetrically arranged against a background of palms and greenery. Miss Marianne Womack played the nuptial music and Glenda Dell was soloist.

Gail's wedding gown was a floor length collection of imported Chantilly lace and tulle over satin. Fitted bodice had a shawl collar and Peter Pan collar. The long sleeves were pointed over the wrists. The bouffant tulle skirt had an overskirt of lace ending in points. Her fingertip double tiered veil of illusion was attached to a satin tiara of handmade nylon flowers edged in silver. The veil was made by Mrs. James Spence and the flowers by her mother, Mrs. Lila Sheppard. She carried a round bouquet of white feathered carnations, edged with French lace and centered with a white orchid.

Mr. Sasser gave his daughter in marriage.

Matron of honor was Mrs. Gladys Miniarich of Riviera Beach. She wore a pale pink imported eyelash ballerina long dress featuring a strapless bodice with jacket and tiered skirt. She carried a nosegay of pale pink carnations similar to the brides.

George Crews, Jr., uncle of the bride was best man and usher was Eugene Schultze of Pahokee and David Morris.

Mrs. Sasser, Gail's mother, wore a powder blue voile frock with matching lace trim with white accessories and her corsage was of pink carnations.

A reception followed the wedding at the Recreation Hall of the church. The serving table covered with a cutwork linen cloth held a four-tiered wedding cake topped with miniature bride and groom. The crystal punch bowl was encircled with pale pink hibiscus, with clusters of hibiscus decorating the table.

Mrs. Cletis Hand was in charge of bride's book and assisting at the reception were Mrs. George Crews, Jr., Mrs. Edna Bass, Mrs. Louise Stanley and Mrs. Frances Danson.

For her traveling outfit Mrs. Sasser wore a coral linen suit with white accessories. Following a tour of the state the couple will be home after June 28 at 404 Curtis Street, Warner Robbins, Ga.

Out of town guests were Carl Sasser, Mrs. M. Sasser, Mr. L. H. Thompson, Edna Lee Thompson, all of Cairo, Ga.; Mr. and Mrs. R. H. Watson, Paul Sasser and daughter, Penny, and Mrs. Cletis Hand of Pahokee.

Parents of the bridegroom are Mr. and Mrs. Hoke Scarborough of Warner Robins, Ga. The

double ring ceremony was read by the Rev. H. Edward Garrett, pastor in a setting of palms, baskets of white gladioli and lighted tapers in candelabra.

Miss Marianne Womack organist played traditional wedding music and Nathaniel Cooper, soloist sang.

Encouraged by her father, who gave her in marriage, the Belle wore a ballerina length gown of white embroidered organza, a tight fitting bodice, v-neckline and short puffed sleeves, with a gathered skirt. She wore matching mitts and her shoulder length veil of net, sprinkled with rhinestones, was attached to a tiara outlined with seed pearls. She carried a crescent shaped bouquet of white carnations with net and lacyon with a removable carnation corsage.

Attending as maid of honor, Miss Mary Lee Welch of Apopka wore a ballerina length gown of blue voile with matching lace trim with white accessories and she carried a crescent shape bouquet of pink carnations.

Frederick Stevens was his brother's best man and ushers were Harold Brough of Belle Glade, John Bregger, Charleston, West Va., and William Spears of Miami.

Mrs. Will chose for her daughter's wedding a gray imported batiste frock with matching gray lace trim with pink accents. Mrs. Stevens wore a gown of dusty rose nylon with matching lace trim and black accessories. They wore corsages of orchids.

Following the wedding a reception was held at Jameison Hall. Assisting at the reception were Miss Louise Driscoll, Dania, Miss Carol Thurlow, Ft. Lauderdale, Mrs. Thomas Hornum, Pompano Beach, and Mrs. Joe Goodbread of Oakland Park.

Mrs. Stevens attended Belle Glade High School and was graduated from Florida State University with a B.S. degree in Elementary Education. She is a teacher at the Dania Elementary School in Broward County.

Mr. Stevens attended Belle Glade High School, Vanderbilt University and is a graduate at the University of Florida with a B.S. degree in Agriculture. He served two years active duty as a laboratory technician in the Army Medical Corps. He is now the assistant County Supervisor of the Farmers Home Administration, Depart. of Agriculture in Lake Worth.

The couple are residing in Ft. Lauderdale following a wedding trip to Nassau.

Out of town guests at the wedding were Mr. and Mrs. Harold Lane, West Palm Beach; Mr. and Mrs. T. L. Spears, Mrs. R. T. Spears, Miami; Mr. and Mrs. C. Nelson, Clewiston; Mr. and Mrs. Tom Hornum, Pompano Beach; Miss Carol Thurlow, Westbury, L. I. N. Y.; Miss Louise Driscoll, Richmond, Va.; Miss Gabrielle O'Rourke, Hollywood; Miss Louise Oryen, Harvey Ortry, Boynton Beach; Miss Khaleah Vandewater, Cocoa; Mrs. W. E. Vial, Ocala; Mr. and Mrs. Richard Bivins,

Attending as maid of honor, Miss Mary Lee Welch of Apopka wore a ballerina length gown of blue voile with matching lace trim with white accessories and she carried a crescent shape bouquet of pink carnations.

Frederick Stevens was his brother's best man and ushers were Harold Brough of Belle Glade, John Bregger, Charleston, West Va., and William Spears of Miami.

Mrs. Will chose for her daughter's wedding a gray imported batiste frock with matching gray lace trim with pink accents. Mrs. Stevens wore a gown of dusty rose nylon with matching lace trim and black accessories. They wore corsages of orchids.

Following the wedding a reception was held at Jameison Hall. Assisting at the reception were Miss Louise Driscoll, Dania, Miss Carol Thurlow, Ft. Lauderdale, Mrs. Thomas Hornum, Pompano Beach, and Mrs. Joe Goodbread of Oakland Park.

Mrs. Stevens attended Belle Glade High School and was graduated from Florida State University with a B.S. degree in Elementary Education. She is a teacher at the Dania Elementary School in Broward County.

Mr. Stevens attended Belle Glade High School, Vanderbilt University and is a graduate at the University of Florida with a B.S. degree in Agriculture. He served two years active duty as a laboratory technician in the Army Medical Corps. He is now the assistant County Supervisor of the Farmers Home Administration, Depart. of Agriculture in Lake Worth.

The couple are residing in Ft. Lauderdale following a wedding trip to Nassau.

Out of town guests at the wedding were Mr. and Mrs. Harold Lane, West Palm Beach; Mr. and Mrs. T. L. Spears, Mrs. R. T. Spears, Miami; Mr. and Mrs. C. Nelson, Clewiston; Mr. and Mrs. Tom Hornum, Pompano Beach; Miss Carol Thurlow, Westbury, L. I. N. Y.; Miss Louise Driscoll, Richmond, Va.; Miss Gabrielle O'Rourke, Hollywood; Miss Louise Oryen, Harvey Ortry, Boynton Beach; Miss Khaleah Vandewater, Cocoa; Mrs. W. E. Vial, Ocala; Mr. and Mrs. Richard Bivins,

Rev. James Boyd of Pahokee performed the double ring ceremony. Vows were spoken in a setting fragrant with bridal flowers symmetrically arranged against a background of palms and greenery. Miss Marianne Womack played the nuptial music and Glenda Dell was soloist.

Gail's wedding gown was a floor length collection of imported Chantilly lace and tulle over satin. Fitted bodice had a shawl collar and Peter Pan collar. The long sleeves were pointed over the wrists. The bouffant tulle skirt had an overskirt of lace ending in points. Her fingertip double tiered veil of illusion was attached to a satin tiara of handmade nylon flowers edged in silver. The veil was made by Mrs. James Spence and the flowers by her mother, Mrs. Lila Sheppard. She carried a round bouquet of white feathered carnations, edged with French lace and centered with a white orchid.

Mr. Sasser gave his daughter in marriage.

Matron of honor was Mrs. Gladys Miniarich of Riviera Beach. She wore a pale pink imported eyelash ballerina long dress featuring a strapless bodice with jacket and tiered skirt. She carried a nosegay of pale pink carnations similar to the brides.

BELLE GLADE RAMBLERS drop out of Coast Glades League with a 4-2 record in the first half. Pictured are bat boys (l-r) Butch Pearce and Mark Crisman with team. First row (l-r) Junior Meadows, Bobby Jones, Sam Crisman, Fred Farmer, Ed Kianje, Art Noel, Second row, Eddie Crosby, Mickey Rembley, Red Maness, Charles Godman, Jerry Fussell and Manager Perry (Butterball) Rigdon. The team will not play in second series due to lack of funds. They wish to thank all who donated for the first half.

PRESBYTERIAN SERMONS FOR SUNDAY, JUNE 24

Dr. J. Leighton Scott, pastor, announces his topic for Sunday morning sermon will be on "The Ever-Receding Christ." The evening sermon topic will be on "The Most Difficult Lesson in the School of Christ: Humility."

Service Pins Awarded Clewiston Employees US Army Engineers

One hundred and eighty-one years ago—on June 16, 1773—the Corps of Engineers was founded to give engineering support to General George Washington's Revolutionary army.

To commemorate the Corps' birthday, a joint ceremony was held today at the Area Engineer Office and the Clewiston Project Office at Clewiston.

Allen G. Twidley of the Clewiston Area Office received the only 133rd anniversary emblem. Twenty-seven service emblems were presented to Alexander R. Green and John K. Smith of the Clewiston Project Office and George M. Waldron of the Clewiston Area Office. A ten-year emblem of the Clewiston Area Office.

The Area and Clewiston Project Engineer Offices at Clewiston are part of the largest engineering organization in the world—an organization which has grown from the three-man Engineering Corps established by the 181st years ago. Today its dual civil and military set-up whereby construction work during peace time affords Army Engineers the training needed for accomplishment of the gigantic construction tasks of wartime—constitute it as an engineering organization-in-being, ready to step immediately into the task of furnishing logistical support for our armies in time of national emergency.

The Area Engineer at Clewiston is charged with administration and supervision of civil works projects for the Corps of Engineers in the Okeechobee Waterway, the Central and Southern Florida Flood Control Area, and a portion of the Gulf Coast area. He also exercises control over the water level in the Lake Okeechobee and directs special emergency work during and following hurricane and flood periods.

The Clewiston Project Engineer supervises all construction under the Central and Southern Florida Flood Control Project.

These two engineers at Clewiston are the official representatives of the Jacksonville District Engineer, Colonel E. E. Kirkpatrick. The Jacksonville Area has charge of all river and harbor and flood control work throughout the peninsular portion of Florida and in the Caribbean area. In addition, the office performs all Army and Air Force construction in the same area.

Salk Vaccine Supply Enough For Everyone

Florida is now receiving plenty of Salk vaccine to meet the demand, announces the Florida State Board of Health recently and all parents whose children are not immunized against poliomyelitis are urged to secure this protection for them as soon as possible.

As of May 30, 1956, only approximately one-third of the total state population eligible to receive the Federal Salk vaccine, since 9-19 years, have received one or more of the injections. Only recently have received two injections.

"We feel that all children should have at least one injection of vaccine for good immunity," says Dr. James O. Bond, epidemiologist, Florida State Board of Health, and more complete protection they should have a total of three injections."

Figures just compiled by the State Board of Health show that as of June 1, 1956 there is an estimated population of the eligible age group (9-19 years) in the state of 1,254,369. Out of this an estimated number of 108,603 have received only one injection; 273,562 have received 2 injections and only 55,140 have received three injections.

As the supply of Salk vaccine became more plentiful during the last three months, the maximum age limit for receiving the Federal vaccine was raised on May 13 from 15 to 19 years. There is no age restriction on vaccine purchased by the private physician from a commercial source.

To receive the immunization against polio, Dr. Bond says, "Go to your private physician or your county health department. We strongly urge those parents whose children have received no Salk vaccine to have them immunized with at least one shot immediately as the polio season is just getting started."

"We are happy," continues Dr. Bond, "that we are now receiving Salk vaccine in quantities of current demand and we hope no child in the eligible age group will fail to receive this protection."

SUMMER ACTIVITIES

(Continued from page one) park superintendent.

The special event slated today is the pet show which will be held this afternoon from 4:00 to 5:00. All children having pets are urged to register them early. Next week, on Friday, June 29, there will be a wheel parade through town beginning at 2 p.m.

Coach Maynor is in charge of tennis at 8:30 to 9:30 a.m. daily; Golf is slated at the Municipal golf course Monday and Friday from 9:30 to 10:30 a.m. with Eddie Chancey teaching.

Beginners swimming next week will leave for the Pahokee pool at 10 a.m. on Monday, Wednesday and Friday for girls and boys. Advanced swimmers will be transported to the pool on Wednesday afternoon at 2 o'clock.

On Tuesday morning 58 boys in the beginners swim class were taken to the pool and on Wednesday morning nearly 100 girls enjoyed the pool.

Activities this week were: touch football, soccer, trampolines, volleyball, softball, track and field, quiet games, badminton, row climbing, boxing, wrestling, ping pong, shuffleboard and swimming.

Supervision for the pre-school children is under Mrs. Clarence Throp and Mrs. Gilson. Hours are from 9-12 a.m. and 2-5 p.m. If child is under four years, it must be accompanied by an adult.

Sidney McGee, Negro, Charged With Murder

Margaret Givens, colored, was fatally stabbed last Saturday night at 8:45 at her home at 513 S. W. 5th St., by Sidney (Georgia Boy) McGee, who is being held in the Palm Beach County Jail, without bail, at the next meeting of the Grand Jury, according to Constable Prescott.

The woman who was stabbed 26 times was the common law wife of McGee and who bore lived with her for eight years until about four weeks ago.

The stabbing sprung from a quarrel they had about money borrowed from a loan company. Patrolman J. T. McCoy arrested McGee, who gave himself up, saying "Here I am. I did what I wanted to do."

45 ATTEND CLASS REUNION

(Continued from page one) Leland Hardy, (Dag W. Hardy) Pompano, and Judge and Mrs. Munroe Trisman (Margaret Roberts) Brookville. They also gave a resume of the past ten years.

A summary of the questionnaires sent in previously by each member was given by Barnes Smith. It was interesting to note that out of 45 graduates, 35 had married, with 68 children. Many of the class had attended college and other schools with 9 graduating. One classmate, Sue Cherry Comerford, passed away in May, 1951.

An orchestra furnished delightful music for dancing with Earl Skuce at the piano.

Services Held For Mrs. Van Landingham

Funeral services for Mrs. Minnie Van Landingham of West Palm Beach, mother of E. M. Van Landingham of Belle Glade, who died Saturday following a heart-attack, were held Tuesday at 4 p.m. at the First Methodist Church, West Palm Beach. Dr. Harry Walter, pastor, officiated. Burial was at Woodlawn Cemetery.

Other survivors include her husband, Dr. W. E. Van Landingham, two sons, Grey, West Palm Beach and Casper of Candor, N. C.

FLORIDA PRESS ASSOC.—(Continued from Page One) owed at the grandeur of the many century and a half and more year old buildings of the various denominations.

We're confident a larger visit with our neighbors across the way is a dream of a plan of all who made the trip. The busy schedule prevented leisurely visits to specialty shops where the finest imported woolsens, silks, linens, china, perfume and many other items for which Nassau is famous, are displayed.

Our sincere thanks is extended to our hosts, Frank B. Hutchinson, general manager of the Nassau Hotel, the manager of Paradise Beach, Playlours and Nassau Taxi company. In addition to the management of the hotels who entertained us so royally. For a memorable boat trip we are most grateful to Eastern Shipping Corporation for the excellent service, entertainment and activities throughout the U. S. Queen of Nassau.

Our hats off to you, John Paul, for a convention so wonderfully planned.

THE BETTER WAY TO CONTROL BACTERIAL SPOT OF TOMATOES AND PEPPERS

Phytomycin the new liquid antibiotic

GET GREATLY INCREASED, BETTER QUALITY YIELDS

Phytomycin, manufactured by our E. R. Squibb & Sons Division, has proved the outstanding control for certain bacterial and fungus diseases of tomatoes, peppers, tobacco, fruit, potatoes and walnuts. Keep. Use the new, better way to control disease.

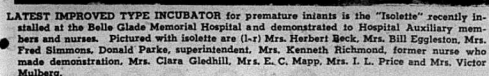

Phytomycin—

- Completely disperses in the spray mix to form a true solution (unlike wettable powders)
- Forms a better and more uniform mixture (than wettable powders)
- Does not cake (as do wettable powders)

Clewiston, Olin McKinley of Miami and Mr. and Mrs. James Jackson of South Bay Plantation visited Mr. and Mrs. Lloyd McKinley Sunday.

Mrs. C. A. Thomas, Mrs. R. L. Saxon and Mrs. West Palm Beach on Thursday.

Mr. and Mrs. Marvin Lee and daughters are on vacation in North Carolina.

Mr. and Mrs. L. C. Nipper spent Monday in West Palm Beach.

Mr. and Mrs. Clyde Conley and children and Mr. and Mrs. L. C. Nipper enjoyed a picnic at the Park in Belle Glade Sunday.

Vincent Henderson who is in the produce business in Ft. Valley, Ga., visited his parents on Thursday night.

Y. E. Smith and Vernon Henderson visited Mr. Smith's father in Tallahassee recently.

Mr. and Mrs. J. A. Henderson, Mrs. Johnny McReynolds and Mrs. Harold Broderick attended the Bar-B-Q supper at the home of Mrs. Weston Broderick in Clewiston Saturday night.

David Previtt attended State FFA convention in Daytona Beach last week.

Mrs. Elsie Westberry spent the weekend with Mr. and Mrs. A. W. Walden Sr.

Mr. and Mrs. J. A. Duncan and daughters of Clewiston visited her parents, Mr. and Mrs. J. C. Cowan Sunday.

Patsy Folsom won the Bible given for inviting and getting the most attendance at the Baptist revival. The runners up will get Bibles also.

Mr. and Mrs. Coy Haulcomb and family left last week to spend the Summer in Benton Harbor, Michigan.

David Previtt attended a grape party at the home of Helen Previtt recently.

Mrs. Katie Swain and Mrs. J. F. Bond visited Mrs. J. C. Cowan Friday.

Mr. and Mrs. Harold Broderick of Bartow spent their vacation with Mr. and Mrs. J. A. Henderson.

Father's Day Dinner
Honors J. A. Henderson
James A. Henderson was hon-

ored with a dinner at his home Father's Day. Those attending were Mr. and Mrs. Doyle Worth and sons of Clewiston, Mr. and Mrs. Harold Broderick of Bartow, Mr. and Mrs. Gene Henderson of Belle Glade and Mr. and Mrs. Weldon Broderick of Clewiston, Mr. and Mrs. Vernon Henderson, Jack Clemons, Mr. and Mrs. Y. E. Smith and children and Mr. and Mrs. J. L. McReynolds and daughter.

Alan Burry graduates from Northwestern U.

Alan J. Burry, son of Milton T. Burry of this city, was awarded a Bachelor of Science degree in Speech, from Northwestern University on June 18.

This was Northwestern's 98th commencement exercise and was held in McGraw Hall on the main campus.

Harlan H. Hatcherson, president of the University of Michigan delivered the commencement address and Dr. J. Roscoe Miller, Northwestern president conferred the degrees.

Alan Burry has attended Northwestern for four years following his graduation from Belle Glade High School.

Three Local Gardeners Attend Short Course

Three local gardeners, Mrs. Gertrude Van Horn, Mrs. Bert Henson and Mrs. Luther Jones are attending a short course for garden clubs held on the University of Florida campus starting Tuesday (June 19).

Division Dean B. C. Riley announced today. More than 400 amateur gardeners from every corner of the state are expected to attend.

The three-day program will be conducted by the Division in cooperation with the Florida Federation of Garden Clubs (FFGC) and the U.F. College of Agriculture and Agricultural Experiment Station. Coordinator is Mrs. Edith McBride Cameron, head of the Extension Division's department of women's activities.

Featured on the 1956 course will be Mrs. Heatherly Dutton, nationally known lecturer, horticulturist and au-

thority on flower arrangement. Mrs. Dutton is recognized for the work she has done in blending the ornamental and practical aspects of flower arrangement. She has visited Japan several times, and studied various arrangement techniques including those used in ancient imperial gardens dating back to the sixteenth century. Mrs. Dutton will conduct two sessions on flower arrangements.

Other features will include lecture demonstrations by leading horticulturists from the University of Florida and Florida State University, Tallahassee; a special evening forum on gardening; and hobby sectional meetings on the African violets, day lilies, roses, geraniums, and hibiscus. General theme for the 1956 program is "Joy in gardening."

Tuberculosis Fight Mapped For Future

Program plans for the coming year were discussed at a meeting of the Board of Directors of the Palm Beach County Tuberculosis and Health Association Thursday, June 14 at the Association office, according to Mrs. J. R. Sutcliffe, president.

The board approved budgetary allowances for Tuberculosis Testing in the schools again next year, after hearing a report from Dr. Loren M. Rosenbach, Assistant Director of the County Health Department. Dr. Rosenbach said that although all of the follow up on the 301 positive reactors to the Tuberculin Test had not been completed, 7 cases of tuberculosis not previously known to the Health Department had been found. Dr.

Rosenbach said that the lack of free x-ray facilities in the Glades area was a handicap in the follow up procedure.

Transportation becomes a problem for Glades residents in taking advantage of free x-rays available at the County Chest Clinic at 431 First Street, he said. To complete the follow up in the Glades a mobile x-ray unit was rented from the Polk County Tuberculosis and Health Association and 351 x-rays were taken June 8 and 9.

The Board also approved continuing more intensive programs in education (in schools, with professional groups, with TB patients and the general public), in case finding, service to patients and in areas of TB prevention. They pledged cooperation and financial assistance in the next Mass Chest X-ray Survey.

Big Torque of the Best Sellers

It would stand to reason that automobiles selling in the same league, so to speak, would be pretty close in their engineering specifications.

Like in "torque multiplication"—the twisting force a transmission delivers to the drive shaft. (The greater the torque multiplication, the greater the performance.)

But what do you find?

You find that any '56 Buick with advanced new Variable Pitch Dynaflo® delivers a higher torque ratio than any standard-production car in America.

AIR CONDITIONING
at a COOL NEW LOW PRICE
It cools, cleans, dehumidifies.
Get 4 seasons comfort in your new Buick with genuine PRIMAIR® CONDITIONING

And you find that this high-torque performance is one reason for Buick's best-seller standing. For Buick is now more strongly positioned in the Top 3 of the nation's biggest-selling automobiles.

That's news — and there's plenty more where that came from. For the '56 Buick is jam-packed with new engineering and styling advances to make it the best Buick yet, by far.

That new Dynaflo, for example, brings you the world's only switch-pitch performance in cars — plus a new part-throttle getaway response that's swifter, surer, and a gas-saver to boot.

The new V8 engine is 322-cubic-inches,

big, and packed with the highest horsepower, the highest compressions in all Buick annals.

There's a joyous new ride, too — a new steering magic — a new "sense of direction" in your every handling maneuver.

Thing to do is come see for yourself. That way you can also look at the prices that have helped move Buick to a new sales success — outselling all other cars in America except two of the well-known smaller ones.

Will you do that, this week?

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.

such as the annual Flag Day programs held by all Elks lodges during the past week; encouraging citizens to display the American flag at their homes and places of business on all patriotic days.

Father Petrie has for many years been an active fighter against the infiltration of Communism into American life through the medium of the churches. His area is the South Central Division of the State Elks Association. State chairman is the Hon. R. N. White of Plant City.

Mass Is Offered For Howard Geer

A Mass of Requiem was offered on Tuesday at the Episcopal Church of St. John the Apostle for the repose of the soul of Howard Geer, father of Mrs. E. S. Roberts, who died last week in his Gainesville home. Father John Clarence Petrie was the celebrant.

CHURCHES OF CHRIST, SCIENTIST

The everpresent power of Christian healing will be brought out at Christian Science services this Sunday.

Scriptural selections in the Season-Sermon entitled "Christian Science" will include Christ Jesus' instruction of his disciples (Luke 10:9): "And heal the sick that are therein, and say unto them, The Kingdom of God is come nigh unto you."

Among the passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the Discoverer and Founder of Christian Science, is the following (98:10): "Beyond the frail premises of human belief, above the loosening grasp of creeds, the demonstration of Christian Mind-healing stands a revealed and practical Science. It is imperious throughout all ages as Christ's revelation of Truth, of life, and of Love, which remains inviolate for every man to understand and to practice."

Methodist Pastor And Family Are Honored

Rev. and Mrs. Edward Gardet and son Timothy were honored at an ice cream social held at the Methodist Church on Sunday following the evening service. The occasion was on the return of the pastor for another year at the Community Methodist Church.

Over 150 attended. The Women's Society of Christian Science were the sponsors and Mrs. Thelma Stevens was in charge.

Mrs. Lester Clark Gives WMU Program

The regular monthly meeting of the Women's Missionary Union was held at the First Baptist Church Tuesday evening.

Miss Gertrude Kieffer gave the devotional and Mrs. Lester Clark, Literature chairman, was in charge of the program. She presented a skit to promote the Royal Service Magazine. Participants

including Mrs. Ed Rice, Mrs. F. L. Markham, Mrs. Carl Hayes, Mrs. Mills Byrns, Mrs. Marvin Unwin, Mrs. Jessie Bergman and Mrs. Jack Little.

Announcement was made that the project for county missions would be visiting shut-ins. Plans were made to place Home Life magazine in hospital rooms.

Fourth Of July At Kissimmee A Big Un

Spectators will once again be treated to "bonus" specialty acts and entertainment other than the five major competition-packed events scheduled when the 11th Annual Silver Spurs Rodeo opens its four-day stand just east of here on Sunday, July 1, according to Rodeo Director Charles (Shag) Brown.

Feature acts for this year's edition of the midsummer show include Little Miss Peggy Ann Simmon and her exhibition of trick and fancy riding, and the spectacular Silver Spurs Horseback Quadrille.

Miss Simpson is a daughter of Mr. and Mrs. Red Simpson of Kissimmee. At the tender age of eight, she has already thrilled audiences throughout the Wild West coast, and her black Shetland pony is a familiar sight at the local arena on Saturday afternoons.

The Quadrille is composed of sixteen horses and riders, doing the intricate figures of the square dance and other drills at breakneck speed — considered by many to be a convincing demonstration of the agility and maneuverability of the Florida cowpony.

Also planned for each of the four performances is the colorful grand entry and the antics performed by the clown in the performance of his dual purpose — that of entertaining the crowds and diverting the attention of wild bulls away from fallen riders.

Mango Forum Exhibit Miami, July 11th

The sixteenth annual Florida Mango Forum Exhibit will be held in the Municipal Auditorium.

Today's Meditation

Read Matthew 13:31-35

The kingdom of heaven is like unto leaven, which a woman took, and hid in three measures of meal, till the whole was leavened (Matthew 13:33).

The kingdom of heaven, said Jesus, is "like leaven," like yeast. In this parable are three measures of meal, enough for all the family. The dry and lifeless meal is unappetizing until into this parable Jesus brings a plain, unadorned woman. She does what anybody could do — brings the yeast into contact with the lifeless meal. To "work" yeast and meal must be brought together.

Today, the church, as well as other organizations of Christians outside it, has leavening power. The meal, in need of leavening, is waiting — neighbors with children needing Sunday School teaching; friends, all about us, in need of Christian encouragement; people who need the life-bringing touch of Christ the Saviour. Let us be watchful for them and do our part to bring them the leavening power of the gospel of the Christ who changes life as we yield to them.

PRAYER

Our Father, we pray that the Holy Spirit may be present always in our hearts. Use us to all teachers of Thy love, and to lead them to desire the Christian way of life, and so come to Thee that their lives may be leavened by Thy love. In Christ's name. Amen.

Today I will try to influence those I meet to become followers of the way, the truth, and the life.

H. B. Milward, Journalist (New York)

at Bayfront Park in Miami on July 11th. The exhibit of the Florida Mango Forum, which is a state wide organization, should be of interest to all mango enthusiasts. It provides an excellent opportunity to acquire information concerning the cultivation, marketing, and utilization of mangos, as well as an opportunity to see the different commercial varieties, outstanding seedlings, mango products, and equipment and supplies used in the mango industry.

All persons having an outstanding seedling or product to display their fruit in the exhibit. Those persons having varieties which will ripen around the date should bring them to the auditorium the morning of July 11th. Anyone having an outstanding seedling which they wish to have judged by the Mango Variety Committee, either prior to or after this date, should contact Dr. R. Bruce Ledin at the Sub-Tropical Experiment Station in Homestead.

The public is invited to attend.

BOYS AND GIRLS IN THE SERVICE

Camp McCoy, Wis. — Pvt. Thomas J. Schmitter, 25, son of Mrs. Ada R. Nipper, Route 1, Clewiston, Fla., is helping provide support for National Guard and Army Reserve units on active duty training this summer at Camp McCoy, Wis.

He is a truck driver in Company A of the 39th Engineer Combat Battalion, regularly stationed at Fort Riley, Kan. Fletcher arrived at Fort Riley from an assignment at Fort Leonard Wood, Mo. He entered the Army last September.

Camp Pendleton, Calif.

William W. McCurdy, 25, son of Mrs. J. L. Miller of 1424 N. W. 12th St., and Marine Pfc. James R. Binkley, son of Mr. and Mrs. A. Binkley of 500 N. W. 16th St., all of Belle Glade, Fla., departed May 16 for duty in Japan after completing four weeks of training in the Staging Regiment at the Marine Corps Base.

retired at the conference. Mrs. Leonard Payne and children will be with her mother in Wabasso, while her husband attends summer school in Gainesville.

The Jamesons, who have returned to their old home at Wabasso after 39 years, plan to leave when Mrs. Jameson recuperates from her accident, for their summer home in McAllister, Pa.

New Schedule For Marine Recruiter

T/Sgt. Arthur H. Ellis of the West Palm Beach Marine Corps Recruiting Office today announced a new schedule for his regular visits to this area. Effective immediately he will be at the Post Office Building in Belle Glade each Wednesday from 9:30 a. m. to 11:30 a. m. On the first and third Wednesday of each month he will then be at the Post Office Building

in Pahokee from 12 noon to 2:00 p. m., and on the second and fourth Wednesday in the Post Office Building at Clewiston from 12 noon to 2:00 p. m. It is anticipated that this new schedule will make it more convenient for the many young men who are interested in the Marine Corps and wish to learn more about their future as a Marine.

T/Sgt. Ellis also stated that
